Dedication

by Sandra Garlich

We, the staff of 1962-63, wish to express our gratitude to Mr. Lawrence Tharp, who has been the faculty advisor of the Quiverian staff from 1943 to 1962. This year Mr. Tharp retired from the sponsorship of the Quiverian; however, we are still honored to have his services as our photographer.

Under the leadership of Mr. Tharp, the previous staffs have produced books of the highest caliber. Mr. Tharp has also been responsible for the majority of the photographic material in the yearbook.

For nineteen years of outstanding devotion and service, we humbly pay our respect to Mr. Lawrence Tharp.

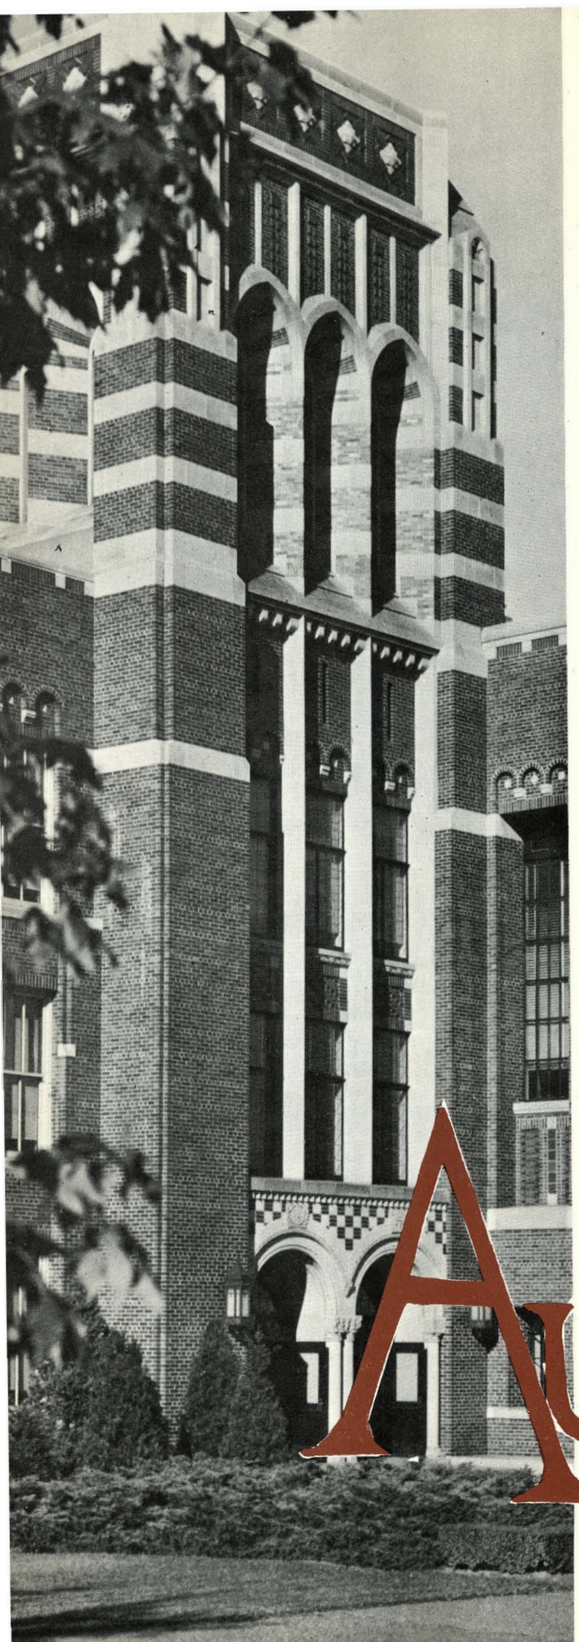
POETRY
by Linda Voorhees



Autumn has come,
school has started
Our vacation is gone,
and summer's departed.
With girls joining clubs,
and boys out for sports
The activities are varied;
there's fun of all sorts.
Homecoming falls in this colorful season
If a girl needs a dress,
the dance is the reason.
Also in autumn the first grades are received
Either hard work is started or tension's relieved.
Yes, autumn is here and the routine's begun
There's hard work and study, but still room for fun.

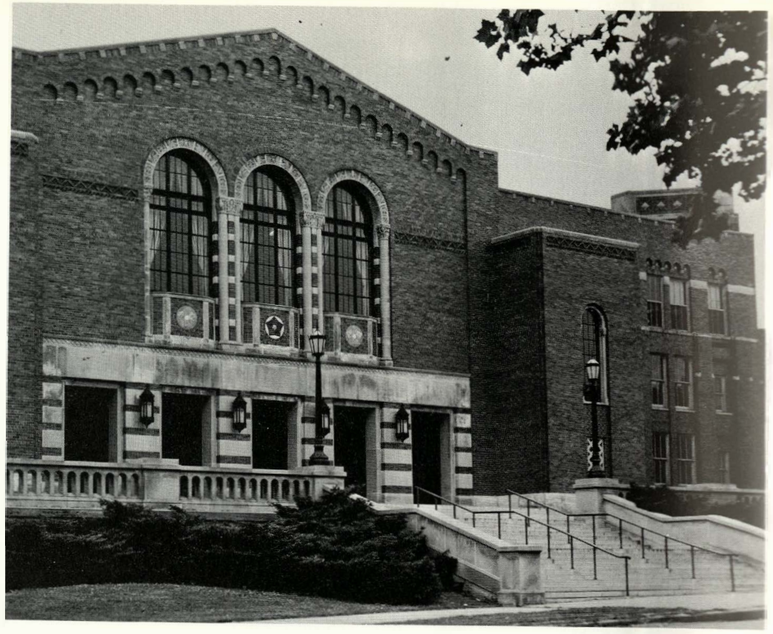
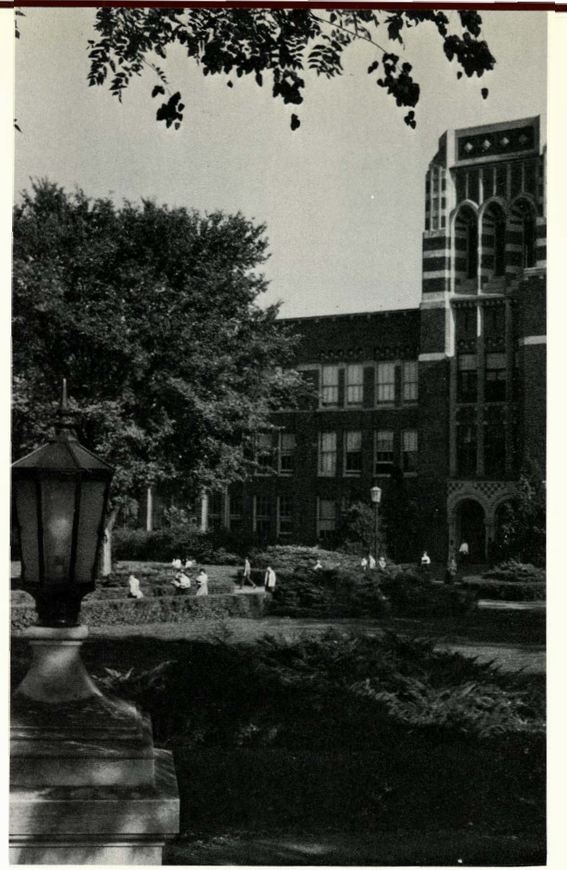
Wyandotte's doors open on a new quarter century.



This majestic edifice which has stood so magnificently through the past twenty-five years....

...holds within its walls the secrets, joys, and excitements of myriads of students --- silent as the seasons pass one by one.



In 1937....

.... students passed through the doors of Wyandotte High School for the first time. We remember 1937 for the birth of this building at its present site, 25th and Minnesota, as a result of the complete destruction by fire of the old building at 9th and Minnesota. The present structure, costing approximately two and one-half million dollars, and its distinctive campus covers an area of 22 acres. It is one of the largest schools in the Middle West. Taking almost two years in construction, the new school can accommodate 3,000 students and a faculty of 90. There are 85 classrooms, including twin cafeterias. The gym seats 1,900, while the auditorium, one of the best in the United States, seats 1,800. Our library contains 18,000 volumes.

We can also be proud of Wyandotte's exterior appearance, with its stately twin towers. These towers, which can be seen from far and near, truly symbolize Wyandotte. The landscaping is one of thoughtful planning, thus giving us one of the most beautiful high school campuses to be found anywhere.

We are proud of Wyandotte's achievements in education, leadership, and sportsmanship these past twenty-five years.

The scenes it beholds as the days roll by and the years, and now a quarter of a century has passed.

Wyandotte at its best, displays its grandeur to all, not just a building but a friend.

Cafeteria and Maintenance

When your growling stomach interrupts your third hour and your mind wanders down to the cafeteria, do you ever wonder what it is like to prepare lunch for approximately 1500 students? The cafeteria staff, under the direction of Mrs. Norma Wood, not only prepares the food, but also plans each day's meal, organizes its distribution and straightens the cafeteria--washing, drying and putting away the dishes.

Joining the cafeteria staff in helping Wyandotte to run smoothly is the maintenance crew. These men and women, supervised by Mr. John Jones, keep our building and grounds in top shape. Their jobs include waxing and sweeping floors, washing windows and blackboards, sweeping the stadium, cleaning restrooms, correcting locker defects, maintaining the lights and doing various other duties for the benefit of a clean Wyandotte.

"The negative rests its case..."

Pleased with this year's haul of trophies are, left to right, Andy Peters, Mr. Jensen, Andrea Speer, John Louden, Andy Anderson, Bryon Schlosser, Bert Gustafson.

During the 1962-63 debate season, the "Wyandotte Talkdogs" captured four new trophies for Mr. Leonard Jensen's "trophy shelf."

The season started on October 12 with the debaters traveling to Topeka West. At College High (Pittsburg), Peggy Englebrake and Sharon Anderson received a fourth place trophy. Later at Seamen (Topeka), these same two obtained a second place trophy. At Highland Park, Elaine Cooper and Patty Beattie received a fourth place trophy and at Rosedale Susan Ireland and Larry Abrams added a first place trophy to the collection. Also, the Wyandotte debaters had the best all school record at St. Joseph and Pittsburg Senior High.

Other contests in which the "talkdogs" participated were Shawnee Mission East, Bishop Miege, North Kansas City, Washburn at Topeka, Topeka, William Chrisman, and Emporia.

Foreign Exchange

by Gale Wright

Mr. Gunther Pajek

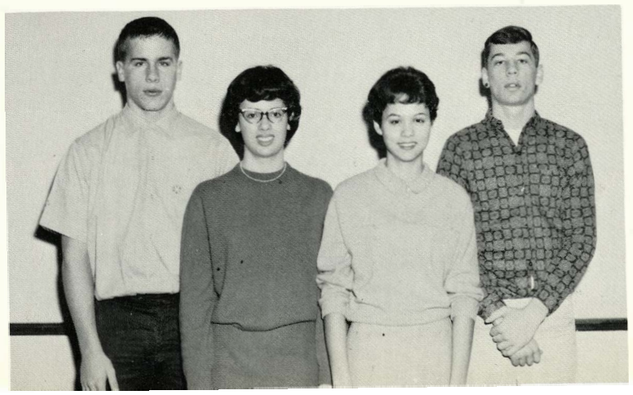
American Field Service teen-agers abroad are concerned with one major purpose: to further their understanding of foreign lands. There are two phases of this program: The Summer Program and the School Program. Summer students live with host families through July and August while school program students live there and attend school for either one term or a full year. These students are selected on a national basis. Wyandotte now has four semi-finalists, Peggy Englebrake, Roy Holliday, Bette Kella, and Gene Locke, who are competing for placement in the summer exchange program.

Agatha Tan, our exchange student from Singapore, stayed at the home of Mr. and Mrs. R.V. DeNota throughout the school year. Agatha's main activities included Kay Cees, International Relations, Drama Club, and Girls' League Representative. Included in her schedule of classes were advanced art, American Histroy, English 12, French I, and typing.

Mr. Gunther Pajek of Austria, who exchanged teaching positions with Mr. Frank Keppler, had two classes of German I, two classes of German II and taught first hour at Junior College in Kansas City, Kansas.

We are proud that Wyandotte was able to participate in the exchange program this year.

Semi-finalists chosen from Wyandotte for the American Field Service exchange student program, FROM LEFT TO RIGHT, are: Roy Holliday, Bette Kella, Peggy Englebrake, and Gene Locke.



STUDENT COUNCIL OFFICERS: Left to Right, Tom Johnston, vice-president; Ted Lockwood, president; Anne Frye, secretary and Ken Ott, treasurer.

Student Council

by Gale Wright

The Student Council, one of the most active groups at Wyandotte, is strictly a service organization. In addition to sponsoring four mixers during the year, the Student Council also collected the Thanksgiving offering for the Life-line Mission and directed the annual "Know Your Job Day."

The Council is composed of one representative from each homeroom. The Council members and their sponsors, Mr. Donald Kyle and Mr. Gene Meier, deserve much credit for their outstanding accomplishments.

STUDENT COUNCIL REPRESENTATIVES BACK ROW: Left to Right, John Arrowsmith, Larry Swift, Steve Doherty, Rick Bair, Dick Collins, Barbara Oswald, Donna Hallier, Virginia Morris, Paula Rose, Connie Wright, Ann Charlton, Becky Bridges, Cecelia Strumillo, Nancy Shirley. THIRD ROW: Jerry McBain, Nancy Winkler, Meredith Roberts, Debbie Humphrey, Vickie Morgan, Linda Brown, Carol Snodgrass, Sandi Price, Janice Tinsley, Susie Reeves, Suzy Allen, Kathy McClain. SECOND ROW: Tom Tietze, Dave Bortka, Janice Verkler, Cheryl Campbell, Bill Karnaze, Tom Yergovich, Gerry Walker, John Meek, John Louden, Tom Wickstrom, Karen Wehrer, Dennis Stone, Fred Vaughan, Lee Darby, John Porter. FRONT ROW: John Fergus, Richard Smith, Ken Ott, Tom Johnston, Ted Lockwood, Anne Frye, Mr. Kyle, Mr. Meier, Joanie Kukovich, Marilyn Terbovich, Jean Willis, Margie Kendrick.

As the class of 1965 entered the doors of Wyandotte High School for the first time, no doubt they were awed by the atmosphere of confusion that prevailed. In a short time, however, they became accustomed to the daily routine of studies and extra-curricular activities. Their first class party, planned by the officers: Tom Tietze, president; Steve Terbovich, vice-president; Connie Wright, secretary and Tom French, treasurer, proved to be a success. As this year comes to a close, the sophomores can look back on an eventful year.

The Girls' League, the largest social organization at Wyandotte, is made up of every girl enrolled at Wyandotte. Girls' League activities began this year with an assembly and orientation for all sophomore girls. On October 17, the annual Sac-nic was held at Loose Park. The twelfth annual girl-ask-boy Christmas Formal, "Santa's Snow-Ball," was held on December 11 at the National Guard Armory. Other activities included mixers, more assemblies, election of officers, and the traditional Mother-Daughter Banquet.

Each homeroom elected a girl as a representative in the Girls' League. The representative's main duty was to attend the Girls' League meetings and to keep the homerooms well informed. Collecting money for activities and helping to sell tickets was also part of her job.

This year's officers are: Martha Speer, president; Cheryl Campbell, vice-president; Sharon Anderson, treasurer and Gayle Carden, secretary. The Girls' League is under the direction of Miss Helen Barnett, who is assisted by Miss Eileen Hughes, Miss Maurine Thomas, Miss Golda Cosner, Miss Peggy Epps, and Miss Sally Davis.

League Leaders take a bow

Merry Muchachas

To introduce the sophomore girls to the many clubs offered to the Wyandotte students, the Girls' League presented their "Corral of Clubs." Following the introduction of the council members, each club or organization presented a skit. A tea in honor of the mothers followed the program.

"Pillow Talk" is a modern play involving the age-old "battle of the sexes." Brad Allen, a smooth songwriter, and Jan Morrow, a crisp interior decorator, irritate each other when they both share a party telephone line.

The play reaches a climax as Jan redecorates Brad's apartment with such oddities as--a purple piano and a red pot-bellied stove.

The play was directed by Mr. William Knapp, with Sue Tobin as student director.

Sunflower Champs

by Sandra Garlich

At the end of the 1962-63 season, Wyandotte compiled a magnificent record of 7-1-1 and the Bulldogs captured the Sunflower League Championship. Coach Ed Ellis started his 23rd year as head coach by saying that Wyandotte was in a rebuilding year and that we were weak in many spots. For a team that was supposedly rebuilding, Wyandotte certainly had a fine season.

The Bulldogs played their first game of the season on the rain-soaked field of the Chanute Comets. Wyandotte handed the Comets a 13-7 defeat; however, at the opening moments of the game it looked as if Wyandotte had picked the wrong night to play football. Chanute reeled off 40 yards for a T. D., but Bill Fenton rallied the Bulldogs as he passed to Ron Blowers in the end zone; this evened the score at 7-7. After halftime, Jerry Bortka scooted 45 yards to put the Bulldogs ahead and this was all Wyandotte needed, for the Bulldogs tucked the 13-7 win under their belts and headed for home.

The Wildcats invaded the Bulldog field and again it looked like an off night for the Bulldogs as the Wildcats led 13-0 early in the second quarter. Again Fenton was the Bulldog who led Wyandotte on the road to victory as he scampered into the end zone for the Bulldogs' first T. D. of the night. Eddie Ellis, Wyandotte's kicking specialist, then booted the extra point and the score stood at 13-7 with Wyandotte trailing. Again Fenton, the Bulldogs' magician, led a 58-yard T. D. which deadlocked the score at 13-13. This was how the score was to remain throughout the remainder of the game.

Wyandotte then met the Topeka West Chargers and it was Fenton's pass to Ron Blowers that put the Bulldogs ahead, by a score of 7-0. During the second and third quarter, Wyandotte was unable to move the ball because of the defensive unit of the Chargers. Topeka then scored and the game was even at 7-7. But the Bulldogs were not satisfied, Fenton hit Rogers with a pass and he proceeded to the 5-yard line where he was brought down. Fenton then made a 5 yard run to put the Bulldogs ahead; the score standing at 14-7. Bob Clark did a fine job of replacing Jerry Bortka, who had been injured earlier in the game.

Wyandotte, with a 2-0-1 record, then met the S. M. North Indians on Wyandotte's field. During the first quarter both teams' defensive units held and the quarter was scoreless. Then in the second quarter, Fenton connected with Bob Clark for a 30-yard touchdown pass. In the third quarter Carl Jackson scored from the 1-yard line to give the Bulldogs a 13-0 advantage as Ellis kicked the extra point. With time running out in the third quarter and faced with a third down-and-20 situation, Fenton felt no pressure as he heaved a 55-yard touchdown pass to Mike Rogers which made the score 19-0. S. M. North managed only one touchdown, thus Wyandotte won their third game of the season by the score of 19-7.

For the fifth game of the season the Bulldogs met the S. M. West Vikings. A fumble by the Vikings set up the Bulldogs' first T. D. as Wyatt Breidenthal plunged in and Ellis's conversion gave Wyandotte a 7-0 advantage. In the second quarter Fenton passed to Blowers for a 28-yard T. D. and Ellis again booted the extra point. Fenton scored another touchdown on a 2-yard plunge and along with Ellis' conversion, the score stood at 21-0. The Vikings scored their first T. D. of the night in the fourth quarter, however Wyandotte counteracted this with a Fenton-to-Jackson pass. Eddie Ellis had a perfect night as he kicked 4 extra points. The final score stood at 28-6, in favor of the Wyandotte Bulldogs.

Then Wyandotte traveled to Topeka, where they tromped the Trojans by a score of 20-13. The Bulldogs scored early in the game, when John Sawka stole the ball from the Topekan ball carrier and carried it to the Topeka 14-yard line, then Fenton passed to Rogers for a T. D. The conversion was good and Wyandotte led 7-0. For the second touchdown of the game, Fenton passed to Blowers and the Bulldogs led 14-0 as Ellis added the extra point. Finally Topeka scored a T.D. but the Bulldogs bounced back as Fenton advanced the ball to the end zone and the score was 20-6. The Trojans were able to score another touchdown in the fourth quarter, but this did not enable them to overcome Wyandotte's lead and the Bulldogs went on to win for their fifth victory of the season.

The next event on the schedule was the annual clash between Ward and Wyandotte. Bill Fenton scored three touchdowns for Wyandotte while Ward managed only two. At the completion of the game Wyandotte was ahead by a 20-13 advantage. The victory gave Wyandotte a 26 to 5 edge in the traditional series between the two schools.

Wyandotte encountered their first defeat of the season at the hands of the Lawrence Lions. The Bulldogs remained in the game until the fourth quarter when a few costly interceptions changed the tide as the Bulldogs lost 34-13. The outstanding ground offense of the Lions made the real difference; however, looking on the bright side of things, Bill Fenton connected nine times for a total of 146 yards, two of these passes were for touchdowns.

Wyandotte finished the 1962 grid season with an impressive 7-1-1 record as the Bulldogs swept past the S.M.E. Lancers for their last victory of the season. This victory enabled Wyandotte to annex the Sunflower League Championship; this is the fifth championship that Wyandotte has captured in the last six years. Roy Holliday scored Wyandotte's first T.D., but East retaliated with two touchdowns in the second quarter. Fenton scored Wyandotte's second touchdown and the Bulldogs held a 14-13 advantage. The Bulldogs' final counter came in the fourth quarter as Fenton nailed Holliday for a 8-yard T.D.

Eddie Ellis also set a new Wyandotte record, as he made 17 extra points during the season. He also led the area in extra points.

At this time the Quiverian would like to commend the coaches for a job well done. Our congratulations to Head Coach Ed Ellis, Assistant Coaches, Charles Sheffield, Charles Vining, Clyde Strimple, Gene Meier, and Dave Kendall. Also, we would like to commend Coach Ed Ellis; he was selected Coach of the Year. CONGRATULATIONS!

Sunflower League Champs

The name of Wyandotte's cross country team is associated with a series of six first places and an impressive Sunflower crown for the fourth consecutive year.

The Jogdogs launched their season with three straight victories over Shawnee Mission East, Shawnee Mission North, and Washington. The first defeat of the season came at the Shawnee Invitational Tournament as Wyandotte fell to Wichita East by two points and had to settle for second place.

The Bulldogs started a four game winning streak by competing with fifteen other Kansas teams and capturing the first place title at Emporia.

"W" went on to the state meet at Topeka, where the Jogdogs, paced by Captain Tom Yergovich, wrapped up their fourth consecutive Sunflower League Crown. Since 1959, one year after Coach Francis Swaim took over the reins as head cross country coach, the harriers have won the Sunflower league title every year. Helping Coach Swaim this year is assistant coach, Bob Baker.

After an impressive victory at Topeka, "W" captured first in the Shawnee Mission East Regionals.

One point meant the difference between first and second place in the state meet at Emporia. Wyandotte, with 52 points, had to settle for second place as Wichita East gained their first championship title. Tom Yergovich, who finished first with 9:28, was the standout in the meet as he ran the fastest two-mile cross country course in Kansas history.

Wyandotte entered the state meet as Emporia, vying for the championship with nine other teams.

Those who received varsity letters included SENIORS: Tom Yergovich, Mike Windsor, Charles Lenoir, Richard Morgan, John Swaim, Bob Shadburn, Mike Pettigrew.

JUNIORS: Howard Hallman, Richard Raines, Paul Jacob, Ernest Parra, Ed Pettigrew.

SOPHOMORES: Mike Cambridge, Ray Poteet, Mark Kyle.

As autumn fades into the winter season,
The temperature drops, and soon we are freezin'.
Cupid comes, and so does St. Nick,
Senior name cards arrive--take your pick!
Basketball and swimming are the main attractions;
Watch either sport for some fast moving action.
Semesters change and classes do, too,
We forget the past and start anew.
Though the temperatures drop and the snowflakes fall,
School will go on in the midst of it all.

Big Brass Band

by Carol Baker

It wouldn't be a football game at Wyandotte without the Marching Band. With their red and gray uniforms the Band Members make a colorful picture as they march down the field, adding the necessary enthusiasm for a Wyandotte victory. The Wyandotte Marching Band performs at football games, the Quindaro Parade and the American Royal Parade.

After football season, the concert band is formed. The concert band performs in the Variety Show and at All City Founder's Day. The Trumpet Trio and the Brass Sextet, formed from the Concert Band, play at school functions and civic affairs.

The band is under the direction of Mr. R.A. Samuelson. Officers for this year are: Bud Webster, president; Joe Little, vice-president; Karen Elkins, secretary; Velma Blanchard, treasurer; Jerry McBain and Mike Hatfield, sergeants-at-arms.

"The Incompleted Pass"

The Incompleted Pass, under the direction of Mr. William Knapp, was presented October 19 by the Kay Cees. The story takes place at Brookdale High during the football season. Gabrielle, a French war orphan, is the school's foreign exchange student. "Gaby" is not very attractive, and her clothes are not the latest style.

She discovers that if Dick, the star of the football team, doesn't improve his grades in French class, he won't be able to play in the next big game, so she offers to tutor him. Thus, they spend a great deal of time together. This makes Nancy, Dick's steady, furious and she "breaks up" with him. However, the play ends happily with everyone's problems solved and Gaby is transformed into a glamorous girl.

Pep...

by Linda Voorhees and Carol Baker

"Stronger than a locomotive, faster than a speeding bullet," able to go undefeated in one scheduled season. They said it couldn't be done but the Wyandotte Bulldogs did it.

For the eleventh straight year Wyandotte won the Regional Tournament and journeyed to State. When they entered the Regionals at Shawnee Mission East, they claimed a spectacular 18-0 record. However, this record didn't last long. In the first game the Bulldogs met the Bishop Miege Stags and dealt them a fatal blow. This secured their entrance into the finals where they met the S.M. East Lancers. The fans were a little nervous before the game, remembering the last match between the two teams, when the Bulldogs beat the Lancers only after four repeated overtimes. Before long, however, the Bulldogs left no doubt as to the outcome of the game. They departed with a 20-0 record and traveled hopefully to the state tournament at Wichita. There they downed the Dodge City Demons and the Parson Vikings, making them eligible for the state finals. Their only loss of the season was to the Salina Mustangs in the final game of the State Tournament, leaving their final record at 22-1. Although this one loss gave Salina the title of State Champions, to many people the Wyandotte Bulldogs are still the number one team in the state.

There was no one outstanding player this year but rather a group of boys who worked together as a team. They were not only proficient at scoring, but also unsurpassed in defense.

The leading scorer for the Bulldogs was Mike Canfield. He was also honored by being elected to the All-Tournament Team. The results of other All-Star teams, as of publication time have not been announced, but we are sure other team members will receive honors.

It has become an annual event at Wyandotte to set aside two days in March and dedicate them to basketball. During these two days there is a general migration to the tournament. This starts on Thursday and by Saturday night Kansas City can be compared to a ghost town because almost everyone has gone to see the Wyandotte basketball team make their bid for the state championship.

Since 1952, Wyandotte has won 237 games, lost 19 games and has taken either 1st or 2nd in the State Tournament. This record has made Wyandotte renown. We have been very fortunate for the past eight years to have Coach Walt Shublom at Wyandotte. During this time the Bulldogs have won 21.5% of their games and lost only 1.7%. Only Wyandotte can boast such an outstanding record!

Now the season has ended and the Wyandotte basketball team of 1962-'63 has become another statistic. The boys' names may be forgotten, but the record they created will live on. Wyandotte fans will remember this season and proudly say, "We saw the Bulldogs of '63 play and win."

Winter departs and spring is here,
It's hard to believe it's the end of the year.
The Easter bunny comes hopping around
And after that, the Spring Queen is crowned.
The spring sports are baseball and track
And golf and tennis for those with the knack.
Toward the end of the year about grades we all worry,
In order to pass, everyone starts to scurry.
The seniors leave early--it's the rule.
They bid farewell to Wyandotte High School.

Stage Struck Seniors

by Penny Emery

The Senior Class presented the mystery, comedy play "Knock, Knock" under the direction of Mr. William Knapp and Suze Ann Shoults, student director.

The plot of "Knock, Knock" consists of a series of strange happenings in the new house of the Cosgrove family. The Cosgroves manage to control themselves through a young reporter's advances toward their daughter, Val Cosgrove, the crowds gathering outside their house in curiosity, and the inspection of the house by a building inspector and plumber, who are really spies.

In the end, young Tommy Cosgrove is caught causing the manifestations and the spies are discovered.

Baseball Team

Kathy Snyder

The 1962 baseball team walked away with the State Championship and Border League Championship and closed the season with a 17-2 record. In the first round of the State meet, the team met the Newton Railroaders. Steve Renko did a terrific job of pitching as he struck out 14 and allowed 1 hit. Bill Wendel, catcher, hit a home run with Tom Jones on base and Wyandotte won 2-0.

The next encounter was with Wichita West. Warren Burnau pitched this game and allowed only 4 hits and 1 run. Warren struck out 11 and Wyandotte won the game 10-1.

The final game of the State meet was with Ward High School. Mike Kniffin pitched, striking out 6 and allowing 2 hits.

A record was set at the State tournament for it was the first time a team had won the three games with three different pitchers; Renko, Burnau, and Kniffin turned the trick. They struck out 31, allowed 7 hits, and 1 run during the three games. The leading hitter during the State tournament was Tom Jones (8-12). Terry Oldham, second base, and Charles Boyer, center field, did an outstanding job during the tournament.

Under the direction of Head Coach Ed Ellis, and William Ackerman, the 1963 baseball team is planning for a successful season since there are quite a few returning lettermen. They are: Mike Canfield, Bill Fenton, and Ron Blowers, Tri-Captains; Norman Oakley, Bob Clark, Duane Filer, and Jay Wilson.

A Glance--A Sigh -- And Then, Good-bye

I am the spirit of Social Hall. For 25 years I have witnessed the laughter and the tears, the delights and the afflictions of thousands of carefree students.

Today marks the end of another eventful year and the departure of another senior class. As I glance over my gathering groups of friends, I notice a special exhilaration this morning, ranging from the sobs of the sentimentalists to the "whoops and hurrahs" of the eager ones.

In one corner I hear a group of boisterous young senior men, exulting at the thought that school is finally over. Among this group I find the athletes, the scholars and the fun-seekers--all outwardly happy at the thought of leaving, yet I can't help thinking that inwardly there is a relentless pang at the finality of high school days and the looming thought of what lies ahead.

There stand some future doctors, teachers, military men, mechanics and possibly some politicians. Today they are still "my boys," boys who have lasted through three fun-filled years at Big Red. Tomorrow they belong to the world.

In another corner I hear a few sobs and see a few tears. Here are some of "my girls"--the reluctant sentimentalists who feel that "the end is here !" The friendships they have established, the good times they have had, will all end today as the doors close on three glorious years. And while the boys may outwardly laugh at the girls' expressed emotions, inside they do understand.

The scene is no different today than any other year. The electrifying intensity of "the last day" is the same year after year. And as I join in their tears, I realize the reason for this special exhilaration--the memory of past days that really are Wyandotte. Along with them I recall the exciting football season and remember their exuberance with the capturing of another Sunflower crown. I rejoiced at the basketball thrills; and the ripple of excitement is still with me as I remember the 8 A.M. cheers of game days. My walls still feel adhesive from the myriads of posters heralding the coming plays, parties and elections. I recall the humming voices at the rumors of who got Homecoming and Spring Queen honors and the vibrant whispers awaiting the results of class elections.

Of course, these last few weeks have been filled with thoughts of Senior Proms and Breakfasts, but that isn't all that I recall. The anxieties and rewards of education do not lie in dances and athletics alone. They are also quite prevelant in the classroom where, in spite of the students' reluctance, learning did go on. I remember disappointments at poor geometry grades and joyousness at passing chemistry.

No, the memories aren't any different than they were when my walls welcomed my first group in 1937. But to each senior class its memories are special. And as similar as they may be, each group has a special meaning to me.

Now my halls are emptying for another year. There go "my seniors" on their different ways, but as they leave I dimly notice another group--the ones I've been priming for next year's responsibilities. They are especially happy for the halls are now theirs.

And what of those giggly sophomores? Abruptly their giggles have subsided into soft laughter and they suddenly do not seem so silly. After all, they are now upperclassmen.

My halls are now vacant and my lights are dimmed on another gratifying year. The multitudes of sobbing and laughing students have filtered out and I now sadly gaze upon the last reluctant couple walking down the hall. The boy glances back quickly and the girl wipes away a speck that seemingly got into her eye.

A glance-- a sigh---and then, good-bye.
